The MARYLAND GAZETTE.

[XXIst Year.] THURSDAY, *May* 29, 1766. [N°. 1081.]

PARIS, February 28.

WE received, the 25th Inst. the melancholy News of the Death of the King of Poland, Duke of Lorain and Bar. On the 5th, about Six in the Morning, that Prince had retired to his Devotions, according to his uſual Cuſtom; but being too near the Chimney, the Fire caught to his Cloaths, and burnt ſo rapidly, that, although immediate Aſſiſtance was given, the left Side of his Body was much hurt. It was at firſt hoped that the Wounds would ſoon have been healed; but the Suppuration and Fever increaſing with conſiderable Pain, his Majeſty thought proper to receive the Sacraments of the Church on the 22d, which were adminiſtered by Cardinal de Choiſeul, and died the next Day about Four in the Afternoon.

Cadiz, Feb. 17. We have had very ſtormy Weather, with Hail. An Engliſh Veſſel is arrived here from Philadelphia, of which one of the Crew was waſhed over board and drowned; ſoon after which a Wave carried off two other Sailors, who, by the ſame Wave, were thrown back again on Deck.

Algiers, Feb. 6. Baba Ali, Dey of Algiers, died on the 2d, at Seven in the Morning, after an Illneſs of 3 Weeks, during which the Troops grew impatient, and were ſeveral Times on the Point of electing a new Dey; but ſince his Death no Diſorder has happened. His Widow and Son have been allowed to receive every Thing they could claim as their Property, and ſix Slaves have been diſmiſſed from Servitude, who had been promiſed their Liberty during his Illneſs.

Baba Mamet, who occupied the Office of Caſnadgi, has been proclaimed Dey, and immediately after his Election pillaged the Houſe and Garden of one of the late Dey's Miniſters, and ſent the Maſter to be ſtrangled at Tremezen. He has renewed the Peace with the Dutch, but is to go to War with the Swedes, Danes, and Venetians.

LONDON, *March* 5.

Private Letters from Madrid inform, that a Courier had arrived there, with Diſpatches from the Governor of Gibraltar to his Excellency the Earl of Rochford, which were thought to be of Importance, his Lordſhip having ſince had ſeveral Conferences with the Catholic Miniſtry.

If Credit may be given to ſome Advices from Liſbon, it is ſaid, the Dutch will not much longer retain the many Commercial Monopolies they have hitherto enjoyed with the Kingdom of Portugal.

Letters from Senegal, Gambia, and other Parts of the Coaſt, mention, that unleſs ſome new Regulations are ſoon made, the French will be enabled to engroſs the moſt valuable Part of the African Trade into their own Hands.

It is aſſerted, that a few Evenings ſince, there was a Meeting at a great Perſonage's Houſe, when ſeveral in the late Adminiſtration offered to join a certain Nobleman, but that he declined having any Connection with any of them.

March 7. We hear a Scheme is before the Miniſtry, whereby a Fund will be eſtabliſhed, which may afford many Millions upon any Emergency; and at the End of Forty Years will produce a ſaving to the Government of a very large Sum, without One Penny additional Burthen to the Public.

We are aſſured, that a noble Lord has declared, that no Places ſhall be Sold in his Department, whilſt he has the Honour of being in the Adminiſtration.

They write from Whitehaven, that ſeveral Ships are fitting out there with picked Cargoes for Virginia and Maryland, which had been laid up for ſeveral Months paſt on Account of the Stamp-Act.

March 10. The Diſpatches lately ſent off to Governor Irwin, at Gibraltar, are now ſaid not ſo much to concern the Events which may happen from any approaching Rupture between Spain and Portugal, as they do the ſafety of that very important Garriſon; and a watchful Eye is kept to the moſt minute Motions of their ſuſpected Neighbours the Spaniards.

It is certain, that all the Spaniſh Regiments in Old Spain are in Motion, and that this Fact is not even denied by certain great Perſons here; but in Excuſe they ſay, that this is the Time when the Spaniſh Government changes the Garriſons of the fortified Towns.

It is likewiſe certain, that the Spaniſh Lines before Gibraltar are commanded by a Frenchman.

A Report prevailed on Friday, that the Merchants of this City had received ſome very unfavourable Advices from their Correſpondents at Madrid.

They write from Briſtol, that Goods to the Amount of 25,000l. Sterling, were entered the Week before laſt, for Exportation to the Weſt-Indies and North-America.

It is ſaid, that no Duties whatever will be exacted upon Goods, or Merchandize, at any of the Ports in Florida and Louiſiana; and that the Markets there will be open and free.

This Day there were exceeding full Houſes both of Lords and Commons.

It was this Morning ſtrongly reported, that his Excellency the Earl of Rochfort has received poſitive Orders to demand a Categorical Anſwer to a plain Queſtion from the Court of Madrid.

Laſt Saturday being the Birth-Day of his Serene Highneſs the Prince of Orange, when he came of Age, he aſſumed the Reins of Government, as Hereditary Stadtholder of the United Provinces—If his Abilities prove equal to the Powers inveſted in him, (and, by the beſt Accounts, they promiſe very fair) he will raiſe the Republic once more to a great Degree of Conſideration among the Powers of Europe. Their Navy is not in the moſt flouriſhing State, but Reſources are not wanting, if the Emergency requires it. Their Army, including Horſe and Foot Guards, conſiſts of Eighty-one Battalions and Forty Squadrons, amounting in all to Thirty-ſeven Thouſand Men, well paid and diſciplined.

March 12. The Damages done by the late violent Hurricane, at Gibraltar, on the 30th of Jan. laſt, are ſaid to amount to more than 140,000l. Sterling.

There are at preſent 227 Peers, Spiritual and Temporal, including the 16 Scots Peers, who have a Right to Sit and Vote in the Britiſh Senate, 176 of whom were preſent in the Houſe on Tueſday Night, perſonally, or by their Proxies; and, conſidering the Age of ſome, the Minority and Abſence out of the Kingdom of others, and that ſome Noblemen are diſqualified on Account of their Religion, the Houſe was thought to be remarkably full.

Capt. Evers, of the Suſannah, arrived at Dartmouth from Virginia, in Lat. 38. Long. 40. from London, fell in with the Sloop Peggy, Capt. Harriſon, from Eyal bound to New-York, who had been out 99 Days, and had been without Proviſions 45 Days. Their Diſtreſs was ſo great that they were reduced to the Neceſſity of killing one of the Ship's Crew, and eating him. Capt. Evers took the reſt of the Crew on board; but many of them were ſo Weak that they could not ſtand.

Number XXXIV is the laſt new favourite Toaſt of the Friends to the American Colonies.

Yeſterday ſailed from the River Two Packet Boats, with ſome extraordinary Diſpatches and the Mails for the Weſt Indies, ſaid to contain a greater Number of Letters for America, than has been ſent to that Part of the World for theſe Five Months paſt.

Thurſday a great Number of Tents, Bricklayers, Stone-maſons and Carpenters Tools, were ſhipped in the River on board the Neptune, for Gibraltar; as were the ſame Day on board the above Veſſel, Six Hundred and Twenty-three Firkins of Butter for that Place.

Their Royal Highneſſes the Prince of Wales and the Biſhop of Oſnaburg were, on Saturday Morning, judged by their Phyſicians, to be out of Danger from the Eruptions which have ſucceeded their Innoculation.

Yeſterday Morning about Eleven o'Clock, a great Number of North-American Merchants went in their Coaches from the King's Arms Tavern in Cornhill to the Houſe of Peers, to pay their Duty to his Majeſty, and to expreſs their Satisfaction at his Signing the Bill for repealing the American Stamp-Act. There were upwards of 50 Coaches in the Proceſſion. And laſt Night the ſaid Gentlemen diſpatched an Expreſs for Falmouth, with ſeveral Copies of the Act for repealing the Stamp-Act, to be forwarded immediately for New-York. At the ſame Time all the Veſſels in the River, concerned in the Plantation Trades, hoiſted their Colours, and were adorned with Streamers, by Order of the Merchants.

The Bells of ſeveral Pariſh Churches of this City rung the greateſt Part of the Day; an univerſal Joy appeared in People's Countenances in general, and at Night ſeveral Houſes were illuminated.

Among the Concourſe of People aſſembled Yeſterday to ſee his Majeſty go to the Houſe, there was a numerous Body of Sailors, Mechanics, &c. who gave Three Cheers on his Majeſty's return.

Yeſterday Meſſengers were diſpatched to Birmingham, Sheffield, Manchester, and all the great Manufacturing Towns in England, to inform them of the Signing the above Act.

Orders are given for ſeveral Merchantmen in the River to proceed to Sea immediately on their reſpective Voyages to North-America, ſome of which have been cleared out ever ſince the Firſt of November laſt.

WESTMINSTER, *March* 18. This Day his Majeſty came to the Houſe of Peers, and being in his Royal Robes ſeated on the Throne with the uſual Solemnity, Sir Francis Molineux, Knt. Gentleman Uſher of the Black Rod, was ſent with a Meſſage from his Majeſty to the Houſe of Commons, commanding their Attendance in the Houſe of Peers. The Commons being come thither accordingly, his Majeſty was pleaſed to give the Royal Aſſent to

An Act for granting an Aid to his Majeſty, by a Land-Tax, to be raiſed in Great-Britain, for the Service of the preſent Year 1766.

An Act to repeal an Act made in the laſt Seſſion of Parliament, intitled, An Act for granting and applying certain Stamp Duties, and other Duties, in the Britiſh Colonies and Plantations in America, towards further defraying the Expences of defending, protecting, and ſecuring the ſame; and for amending ſuch Parts of the ſeveral Acts of Parliament relating to the Trade and Revenues of the ſaid Colonies and Plantations, as direct the Manner of determining and recovering the Penalties and Forfeitures therein mentioned.

An Act for ſecuring the Dependencies of the Britiſh Colonies in America, on the Crown and Parliament in Great-Britain.

And to Nine other Public, and Seventeen private Bills.

March 19. We hear there will be a numerous Meeting of the moſt conſiderable Merchants in the Colony Trade, to take under Conſideration the moſt effectual Means for ſupporting American Credit.

The Repeal of the Stamp Act begins already to produce a very favourable Effect on the Funds.

PHILADELPHIA, *May* 22.

On Monday Morning laſt arrived here the Brig Minerva, Capt. WISE, from POOL, in Eight Weeks, and brought with him *what* we have been long impatiently waiting for, AN ACT of PARLIAMENT, repealing the STAMP-ACT.

We had before an Account, that this Bill had been ſupported by a Majority in the Houſe of COMMONS, and was ſent up to the Houſe of LORDS, where, it ſeems, long and warm Debates aroſe; but, on the Eleventh of March laſt, upon the Queſtion being put, it was carried in Favour of the Bill by a Majority of THIRTY-FOUR LORDS; and on the 18th, this LAW received the ROYAL ASSENT——An Event that has cauſed almoſt univerſal Joy in England, eſpecially amongſt thoſe People who value their Liberty, and have Senſe enough to know the Bleſſings it annexes to their Exiſtence. No Wonder then, if the Tranſports of our Joy, on this Side the Atlantic, ſhould lead us into Modes of Expreſſion not quite conſiſtent with the Moderation our Friends in England adviſe. However, notwithſtanding the Great and Glorious CAUSE of our preſent Rejoicings, not one ſingle Inſtance of that Kind of Triumph, ſo much dreaded by our Friends, and wiſhed for by our Enemies in England, has eſcaped the warmeſt Son of Liberty in this City, as will appear by the following Account of our Proceedings.

The Minerva came to an Anchor oppoſite the Town, before it was known from whence ſhe came, or the News ſhe brought; but one of the Inhabitants having immediately gone on board, he received the Glorious Tidings, and inſtantly proclaimed the News, brought the Law on Shore, as publiſhed by BASKETT, the KING's Printer, read it aloud at the London Coffee-Houſe, and, a Multitude being by this Time collected, Three loud Huzzas teſtified their Approbation; a Deputation from their Number was directly ſent down to wait on Capt. Wiſe, and having firſt made the Ship's Company a Preſent, they conducted him to the Coffee-Houſe with Colours flying, &c. A large Bowl of Punch was ready, in which he drank Proſperity to America, and was complimented with a Gold-laced Hat, for having brought the firſt certain Account of the Stamp-Act being totally repealed. The Inhabitants then appointed the next Evening to illuminate the City, which was done to the univerſal Satisfaction of all Spectators; the Houſes made a moſt beautiful Appearance, to which the Regularity of our Streets contributed not a little; the Scene was however, variegated, by the different Manner of placing the Lights, Devices, &c. for which the Public is indebted to the Ladies, who exerciſed their Fancies on the Occaſion.

It was very remarkable, that the City was not diſturbed by any Riot or Mob, as is common on ſuch Occaſions, but the whole was begun, continued and ended, to the univerſal Satisfaction of the Inhabitants. A large Quantity of Wood was given for a Bonfire, and many Barrels of Beer to the Populace. And Yeſterday the principal Inhabitants gave an elegant Entertainment at the State-Houſe, at which his Honour the GOVERNOR, and the Officers of Government; the Military Gentlemen; Capt. HAWKER, of His Majeſty's Ship Hardinge, the other Gentlemen of the Navy, and the Strangers in the City, were preſent. The Honours of the Table were

performed by the Worſhipful Mayor of the City, aſſiſted by ſome of the Aldermen; and, conſidering that not leſs than Three Hundred Plates were laid, the whole was conducted with the greateſt Elegance and Decorum; ſo that Detraction itſelf muſt be ſilent on the Occaſion. After Dinner the following Toaſts were drank, in flowing Glaſſes, viz.

1. *The KING.*
2. *The QUEEN.*
3. *PRINCE of WALES, and ROYAL FAMILY.*
4. *May the illuſtrious Houſe of HANOVER preſide over the United Britiſh Empire, to the End of Time.*
5. *The Houſe of LORDS.*
6. *The Houſe of COMMONS.*
7. *The preſent worthy MINISTRY.*
8. *The Glorious and Immortal Mr. PITT.*
9. *That Lover and Supporter of Juſtice, LORD CAMBDEN.*
10. *The LONDON COMMITTEE of MERCHANTS.*
11. *AMERICA's Friends in Great-Britain.*
12. *The VIRGINIA ASSEMBLY.*
13. *All other ASSEMBLIES on the Continent, actuated by the like Zeal for the Liberties of their Country.*
14. *Proſperity to the Spirited Inhabitants of ST. CHRISTOPHERS.*
15. *The NAVY and ARMY.*
16. *DANIEL DULANY, Eſquire.*
17. *May the Intereſt of GREAT-BRITAIN and her COLONIES be always United.*
18. *TRADE and NAVIGATION.*
19. *AMERICA's Friends in Ireland.*
20. *Proſperity to the Provonce of PENNSYLVANIA.*
21. *The Liberty of the PRESS in AMERICA.*

With many others, of the ſame public Nature. The Cannon belonging to the Province, being placed in the State-Houſe Yard, the Royal Salute was Fired on Drinking the King, and Seven Guns after every ſucceeding Toaſt. The whole concluded in the Evening with Bonfires, Ringing of Bells, and Strong Beer to the Populace, and gave general Satisfaction to every Perſon concerned.

The following Reſolution was unanimouſly agreed to by the Company, viz.

That to demonſtrate our Affection to Great-Britain, and our Gratitude for the REPEAL of the STAMP-ACT, each of US will, on the Fourth of June next, being the Birth-Day of our moſt gracious Sovereign *GEORGE* III. Dreſs ourſelves in a new Suit, of the Manufactures of England, and give what HOME-SPUN we have to the POOR.

On this Occaſion, the Public are much obliged to Capt. Hawker, of His Majeſty's Ship Sardoine, as he brought her up before the Town, and dreſſed her off with a Variety of Colours.

After Breaking up of the Aſſembly, on Tueſday Evening laſt, the ſeveral Branches of the Legiſlature met in the Council-Houſe, where the Loyal and Patriotic Toaſts were Drank, the Guns at the Dock at the ſame Time Firing, and other Demonſtrations of Joy ſhewn, on account of the IMPORTANT NEWS of the STAMP-ACT being Repealed.

By many Letters from *London*, we are inform'd, that ſome of the Merchants, there, were indefatigable in ſoliciting a Repeal of the Stamp-Act: One Letter to a Gentleman in *New-York*, of *Feb.* 27, ſays, "You "owe much to the preſent HONEST Ad- "miniſtration: And to the great Names of "PITT and CAMBDEN, may be added "MANY Stanch Friends, among whom "ſtand Foremoſt, a TRECOTHICK and "a HANBURY, Names that ought to be "Rever'd from one End of the Continent to "the other. ANNAPOLIS, *May* 21, 1766.

THE Orders I have now by me for STAYS, and expect to have Executed in a Month or Six Weeks, will take moſt of the Remains of my Aſſortment of STAY-GOODS. I have all along flatter'd myſelf with the agreeable Hopes of being Able when I had ſold theſe Goods, to pay off my Debts, and carry on my Buſineſs as uſual, but I am now pretty ſenſible of my Miſtake; for I have, for a conſiderable Time paſt, received leſs Money than even laſt Year in the Height of the Small-Pox: I ſhall, if poſſible, after Diſcharging my Debts, procure Goods for ſuch of my Cuſtomers as make timely Payments, or for ready Money; others I hope will excuſe my not being able to ſupply them as I have hitherto done, which will really be the Caſe in a very ſhort Time, unleſs I receive more Money, and I hope None will withhold it on a Suppoſition that I am not in Want, or, that can with any Degree of Convenience pay me.

JOSEPH FOARD.

The ſaid *William Kean* was admitted into the Free-School of this County as Maſter, in *November* 1764, but by his Ill-Conduct was obliged in *May* 1765 to come under Indenture to Mr. *Anthony M'Culloch* (Merchant at *Queen's-Town*) and Myſelf, and was ſettled on *Kent-Iſland* to teach a private School near Mr. *James Hutchings's*; he was alſo under Arreſt for Debt, for which I am Security to the Sheriff. The ſaid *Kean* is allowed to be an exceeding good claſſical Scholar, but knows very little of Figures, and writes a poor Hand. He has been in ſeveral Parts of the World, that when he is ſober, is a very agreeable Man, and then has much the Appearance of a diſtreſſed Gentleman; that it is very probable he may impoſe on Gentlemen; tho' he is ſubject to drink too much, and at that Time to pawn his Cloaths.

Whoever ſecures the ſaid *William Kean*, that the Subſcriber may get him, ſhall have the above Ten Pounds Reward, and if brought home, reaſonable Charges, paid by

TO BE SOLD
AT THE
MARLBOROUGH BREWERY,

STRONG BEER and PORTER, at Eighteen Pence, and ALE at a Shilling a Gallon, *Virginia* Currency, in Caſk, equal in Goodneſs to any that can be imported from any Part of the World: As nothing but the genuine beſt Malt and Hops will be uſed, without any Mixture or Subſtitute whatſoever; which if the many Treatiſes of Brewing publiſhed in *Great-Britain*, did not mention to be frequently uſed there, the Experience of thoſe who have Drank thoſe Liquors imported from thence, would point out to be the Caſe, from their pernicious Effects.

The ſevere Treatment we have lately received from our Mother-Country, would, I ſhould think, be ſufficient to recommend my Undertaking (tho' I ſhould not be able to come up to the *Engliſh* Standard, which I don't queſtion conſtantly to do) Yet, as I am ſatisfied, that the Goodneſs of every Commodity is it's beſt Recommendation, I principally rely upon *that* for my Succeſs; and my own Intereſt, having expended near Eight Thouſand Pounds, to bring my Brewery to it's preſent State, is the beſt Security I can give the Public to aſſure them of the beſt Uſage, without which, ſuch an Undertaking cannot be ſupported with Credit.

The Caſks to be paid for at the Rate of Four Shillings for Barrels, Five Shillings for thoſe between Forty and Fifty Gallons, and a Penny the Gallon for all above Fifty Gallons; but if they are returned in good Order and Sweet, by having been well Scalded as ſoon as emptied, the Price of them ſhall be returned or diſcounted.

Any Perſon who ſends Bottles and Corks, may have them carefully filled and corked with Beer or Porter, at Six Shillings, or with Ale at Four Shillings the Dozen. I expect in a little Time to have a conſtant Supply of Bottles and Corks, and if I meet the Encouragement I hope for, propoſe ſetting up a Glaſs-Houſe for making Bottles, and to provide proper Veſſels to deliver to ſuch Cuſtomers as favour me with their Orders, ſuch Liquors as they direct, at the ſeveral Landings they deſire, being determined to give them all the Satisfaction in the Power of

(3m) *Their moſt Humble Servant,*
